REPORT OF EVALUATION OF EDUCATIONAL CREDENTIALS

NAME: Eduardo Alfredo Tornquist

PURPOSE OF

COUNTRY: Cuba

EVALUATION: Education

December 2, 2021

In response to Mr. Tornquist's request, the following is a document-by-document evaluation of his academic credentials from Cuba. This evaluation was prepared based on official original academic credentials.

Mr. Tornquist attended the "Jose Antonio Echeverria" Technological University of Havana (*Universidad Tecnológica de La Habana "José Antonio Echeverría"*). Founded in 1964, the "Jose Antonio Echeverria" Technological University of Havana is a public institution of higher education accredited by the Ministry of Higher Education of Cuba. In order to be admitted into the "Jose Antonio Echeverria" Technological University of Havana, applicants must have the high school diploma (*Bachiller*). This is the equivalent of graduation from a college preparatory program at an accredited high school in the United States.

Mr. Tornquist was awarded the degree of Information Technology Engineer (*Ingeniero Informático*) by the "Jose Antonio Echeverria" Technological University of Havana on December 13, 2017. This is the equivalent of the U.S. degree of Bachelor of Science in Information Technology earned at a regionally accredited institution of higher education in the United States. Mr. Tornquist did not request that we include his undergraduate grade point average.
